- všechny aktivity by měli žáci provádět za dopomoci učitele s následnou kontrolou, případně je můžeme nechat vypracovat některé úkoly samostatně či ve dvojicích; důležitá je však společná kontrola s vysvětlením

Read the text:

My name is Jane. I have a little sister. Her name is Rebecca and she is seven years old. Yesterday morning I was alone with her, because my parents were in the cinema. I was reading about my favourite music group.

While I was reading the magazine, Rebecca was drawing on the wall, black, red, green, yellow, blue. Horrible!

When I was cleaning the wall, Rebecca was washing her hands. The water was everywhere!

While I was wiping the bathroom, Rebecca was tearing the TV programme into pieces. Such a mess!

While I was cleaning the living room, Rebecca was catching gold fish and putting them on the table. Poor fish!

While I was putting the fish into water, Rebecca was eating the dog's lunch. Ugh! Then she was sick.

When mum and dad were finally coming home, she was already in bed. At last! Never again something like that!

Underline the verb in *-ing* form and, then look at the pictures and write, what was Rebecca (Jane) doing:

	REBECCA	JANE
	<i>Rebecca was playing with a pram.</i>	<i>Jane was reading about her favourite music group.</i>
		
		

PAST CONTINUOUS TENSE:

Try to translate these sentences:
